Subject: Compliance with the UK Government's Public Procurement Note 10/23 (PPN 10/23)

Altrad Support Services Limited will comply with the UK Government's Public Procurement Note 10/23 (PPN 10/23) by October 2024.

To achieve this commitment, we will:-

1. Implement enhanced reporting to accurately track payment data for invoices.
2. Accelerate our invoice processing.
3. Invest in EDI technology to enhance the automation of supplier invoices.
4. Align our contract management systems to manage our supply chain partners for Government and non-Government funded projects.
5. Ensure that our supply chain partners are on a maximum of 30-day payment terms for public procurement related contracts.

We are confident that the above actions will ensure Altrad Support Services Limited comply with UK Government's Public Procurement Note 10/23 (PPN 10/23) by October 2024.
